Neighborhood Forestry Technicians - Job Order 1352051

Are you interested in making a difference in your community? Do you want to build confidence in the workplace and gain professional skills? Are you looking for a job that can lead to an exciting career in the outdoors?

At Baltimore Tree Trust we work to restore our city’s urban forests, green spaces and corridors that provide clean air, support community engagement and keep temperatures cool during the heat of the summer.

We are looking to identify motivated hard-working individuals to join our tree installation and tree care crews. Successful candidates will have a strong willingness to learn new professional skills while working outdoors as well as an interest in creating positive environmental change in Baltimore City neighborhoods. Urban forestry technicians can expect to receive on-the-job training and industry-recognized certifications, in addition to a wide range of educational and professional development opportunities. No prior experience required. Six-month seasonal position to start, with the opportunity to become a regular staff position. Employees are eligible to receive performance bonuses, wage increases, and other benefits after a 30-day probationary period. Position starts at $14 hour ($14.50 with driver’s license).

Requirements:
- At least 18 years of age
- Physically able to stand, bend, squat, and lift up to 40 pounds
- Willingness to work outdoors in all weather conditions
- Demonstrated ability to report to work regularly and punctually
- Good teamwork and communication skills
- Possession of a valid driver’s license or an ability to obtain one within 6 months is preferred
- COVID-19 vaccination card, or willingness to obtain one within 1-2 weeks is strongly preferred

TO APPLY EMAIL RESUME TO: rworen@oedworks.com

Now Hiring is a service of the Mayor’s Office of Employment, the Baltimore Workforce Development Board and multiple workforce partners.
